

PERALTA, ALJON PERALTA

BSIT 2A WMAD

Activity 2: Personal Portfolio Web Page (HTML Only) Students will create a multi-section personal portfolio web page using only HTML5. The page must include: a navigation bar, an About Me section, a Skills section using lists, a Projects section using tables, a Contact form, and a footer. Semantic elements must be used throughout.

```

<!-- ===== ABOUT (Required) ===== -->
<section id="about" class="section about-section">
    <div class="container">
        <h2 class="section-title">About Me</h2>
        <div class="about-grid">
            <div class="about-bio">
                <p>Hi, I am <strong>Aljon J. Peralta</strong>, currently pursuing a
                <strong>Bachelor of Science in Information Technology (BSIT)</strong> at <strong>Isabela State
                University - Ilagan Campus</strong>.</p>
                <p>I am a passionate and determined individual who believes that learning is a
                continuous journey and that every challenge presents an opportunity for growth and improvement.
                As a student, I strive to develop not only my technical skills but also my character,
                discipline, and ability to adapt to different situations.</p>
                <p>I consider myself flexible, efficient, and eager to learn. I am always willing
                to step out of my comfort zone, embrace new experiences, and acquire knowledge that will help
                me become a better professional and a better person.</p>
                <p>I firmly believe that success is built through perseverance, hard work, and the
                willingness to improve every day. I continuously seek opportunities to enhance my skills,
                broaden my understanding, and contribute meaningfully to every project or responsibility
                entrusted to me.</p>
                <p>I aspire to create value through my work and leave a meaningful impact through
                dedication, innovation, and continuous growth. I am eager to learn, ready to contribute, and
                committed to becoming a professional who turns aspirations into achievements and opportunities
                into success.</p>
            </div>

    <h2 class="section-title">Technical & Professional Skills</h2>

```

```

    <div class="skills-note">
      <p>As an aspiring Information Technology professional, I am continuously developing
      and strengthening my technical and professional skills. While I have gained foundational
      knowledge and practical experience in various areas of web development and information
      technology, I recognize that learning is an ongoing process and that mastery comes through
      continuous practice, experience, and dedication.</p>
      <p>I am currently expanding my expertise in technologies such as HTML, CSS,
      JavaScript, PHP, MySQL, and other IT-related fields. Although I do not claim to have mastered
      every technology or concept, I am confident in my ability to learn, adapt, and apply my
      knowledge effectively to solve problems and complete projects.</p>
      <p><strong>My greatest strengths</strong> are my willingness to learn, commitment to
      improvement, adaptability, and determination to grow as a future IT professional. I approach
      every challenge as an opportunity to gain new knowledge and further develop my skills.</p>
    </div>
